

# Sweenija Reddy Gundra

COMPUTER SCIENCE & DATA SCIENCE STUDENT

sweenijareddy14@gmail.com • LinkedIn • GitHub • +91 XXXXX XXXXX

## PROFILE

Computer Science & Data Science student interested in software development, data, problem solving and understanding how systems work. Building programming foundations through C, Python, data structures, algorithms and web development while applying these skills through practical projects.

## EDUCATION

### Bachelor’s Degree in Computer Science & Data Science

YOUR COLLEGE / UNIVERSITY NAME

2025 — Present

## TECHNICAL SKILLS

|                 |                                             |
|-----------------|---------------------------------------------|
| Programming     | C, Python, SQL                              |
| Web             | HTML, CSS, JavaScript, Flask                |
| Data Structures | Arrays, Lists, Stacks, Queues, Binary Trees |
| Tools           | Git, GitHub, VS Code, n8n                   |

## PROJECTS

### Cedar Nest Hill Lodge [WEB PROJECT](#)

[Live Site ↗](#) [GitHub ↗](#)

Developed a responsive multi-page hotel website with accommodation information, gallery, booking enquiry form and responsive navigation. **Solves the problem of presenting property information and booking enquiries through a clear, accessible web interface.**

HTML5 CSS3 JAVASCRIPT

### Appointment Management [C PROJECT](#)

[GitHub ↗](#)

Built a terminal-based hospital appointment management system supporting appointment creation, viewing, searching and deletion with persistent binary-file storage. **Solves the problem of organizing and managing appointment records efficiently.**

C STRUCTURES FILE HANDLING

### Corporate Org Chart Tool [COLLABORATION PROJECT](#)

[GitHub ↗](#)

Contributed to a collaborative C project that models corporate employee hierarchies using a binary tree, including operations for adding, searching, updating, displaying and deleting employee records. **Solves the problem of representing and managing organizational reporting structures in a searchable hierarchy.**

C BINARY TREES RECURSION CRUD

## CERTIFICATIONS

Problem Solving — Basic [↗](#) [HackerRank](#) 2026

Problem Solving — Intermediate [↗](#) [HackerRank](#) 2026
